Is Your Heart Good Ground?

When the Word of God is spoken it does not turn around and go back to Him unproductive. Your heart is the ground that the Word is planted into. The planted Word is made to produce a harvest that comes forth from your heart. A heart that is good ground will receive His Word, admit and acknowledge that you are healed, and then rejoice about the expected full manifestation of healing that God has promised you.

*For my thoughts are not your thoughts, neither are your ways my ways,
saith the LORD. Isaiah 55:8*

Questions for You:

1. Does 'good ground' describe the condition of your heart today?

2. Do you want to be healed, but are unsure about what to do to bring your healing to manifestation?

3. Do you believe healing has been promised to you by God?
