A Hindrance to Healing - Part One

Be A Peacemaker

Strife causes stress and impedes our health. It is also one of the strategies that Satan uses to cause division amongst the Body of Christ. As ambassadors of Christ, we should emulate the same love, mercy, kindness, and compassion that Jesus has for us towards one another. When we choose to walk in forgiveness and extend long-suffering towards one another, we are living a life of peace without quarrel and strife.

In the Book of Proverbs chapter fourteen, we are reminded that a heart of peace is life and health to the body. When we are at peace with one another we are blessed. Therefore, adapting an attitude of peace is power!

“Follow peace with all men, and holiness, without which no man shall see the Lord.” – Hebrews 12:14

“A calm and peaceful and tranquil heart is life and health to the body, but passion and envy are like rottenness to the bones.” – Proverbs 14:30 (AMP)

“Blessed are the peacemakers: for they shall be called the children of God.” – Mathew 5:9
